To Whom It May Concern:

On behalf of the Triad Apartment Association it is with great pleasure that I write to describe the accomplishments of Burkely Communities, LLC and its Westborough community and to confirm that they are members in good standing. In fact I can attest without reservation that Burkely Communities and its principals are among the strongest contributors of time and resources to the Association and that Westborough is among our strongest properties.

To give you an idea of how much Burkely Communities and its people are contributing to our Association let me highlight just a few of their contributions:

- Sterling Kelly, Founder, currently serves as President on our Board of Directors
- Jody Longwill, VP of Operations, served twice in the past as President of our Board of Directors, currently serves on our Education Committee and represents us each year at the Capitol Conference.

In addition to their service to the Association Burkely also has one of the strongest properties and staffs among our membership. Just last month at our Diamond Awards, Westborough was honored with the following awards:

- Community of the Year (18+ Years)
- Assistant Manager of the Year, Tim Litchfield
- Service Supervisor of the Year, Brian Williams

Such dedication and excellence are a direct result of the passion and discipline of Burkely Communities' leadership. They are a group that consistently strives to be an industry leader and to set the benchmarks against which others are measured and that is what makes them an ideal candidate for the Paragon Awards.

Sincerely,

Jon Lowder
Executive Director
